

'STOLEN'

I was drugged; I was taken, from everything I knew.
And he expected me to love him.

I was flown; I was driven, from my one and only home.
And he expected me to love him.

I was taken to sand, heat, dirt and danger.
And he expected me to love him.

I was bitten by a snake and he let it happen.
And he expected me to love him.

He took me to a hospital, turned himself in.
And he expected me to love him.

But, the strange thing was... I did.
